PRE-BUILT or BUILD ON SITE

8', 10', and 12' wide buildings are normally delivered completely assembled to your prepared site, but can also be built on site at no additional cost.

Note: Site must be truck-trailer accessible.

Buildings over 12' wide are assembled on your prepared site.

Note: A carry charge of \$1 per foot will apply on built on site barns that have to be carried over 50 ft. for construction.
